

Moorea Round Dbl. Chaise - Charcoal Grey

SKU: MOO-G2PC3-CHG

The Moorea Round Double Chaise is a versatile and comfortable chaise. The headrests can incline from four different areas so that two sunbathers can either lie down side by side or be opposite one another. This chaise has an umbrella portal in the middle of the bed to create a place in the shade. The elegant lines of the frame's construction maximize seating space and define sitting areas with grace and style. The broader flat weave of this wicker is set off by faux-teak accents and contrasting, corded-edge details. The Moorea Collection is fancy without being fussy.
