

Palisades Utility Table

PLI-G1UT1

The Palisades Utility Table is multi-functional. Vertically, it can nestle into a chair, chaise or deep-seating to be used as a tabletop. Horizontally, it can be used in bed as a breakfast tray. This transitional piece utilizes a lighter stain that can blend easily with other finishes in a room. The Palisades Collection has a traditional, half-rounded weave that is classic.

Product Details:
