

# Moorea Sofa

MOO-G2003

The Moorea Sofa can stand alone, or be combined with the RAF or LAF Sofas to make a striking sectional. The elegant lines of the frame construction maximize seating space and define sitting areas with grace and style. This sofa comes standard with pillow backs, but can be customized with fitted pillows, as shown above. The broader flatweave of this wicker is set off by faux teak accents and contrasting, corded-edge details. The Moorea Collection is fancy without being fussy.
