MOO-G2LAF

The Moorea LAF Sofa can be combined with our LAF Settee or Sofa to make a striking sectional seating area. The elegant lines of the frame construction maximize seating space and define sitting areas with grace and style. The broader flatweave of this wicker is set off by faux teak accents and contrasting, corded-edge details. This LAF Sofa comes standard with pillow backs, as shown, but may be customized to your liking. The Moorea Collection is fancy without being fussy
