

# Palisades Swivel Rocker

PLI-G1004

The Palisades Swivel Rocker is a smaller profile than the club chair and comes with the added benefit of rocking and spinning. This transitional piece has a lighter stain that can blend easily with other finishes in a room. The Palisades Collection has a half-rounded weave that is traditional, while its low arms are more modern. Plush T-cushions round out this collection with comfort and softness.
