

Palisades Loveseat

PLI-G1002

The Palisades Loveseat is a nicely scaled loveseat that provides ample seating. It strikes a beautiful balance between modern and traditional. This transitional piece utilizes sophisticated lines with a lighter stain that can blend easily with other finishes in a room. The half-rounded weave is traditional, while its broad, low arms are more modern. These functional arms provide perfect perches for drinks or snacks. Plush T-cushions round out this loveseat with comfort and softness.
