

Palisades RAF Chair

PLI-G1RAF

The Palisades RAF Chair combines with the Corner Chair, Armless and LAF Chair to make a spacious sectional. This transitional piece utilizes sophisticated lines with a lighter stain that can blend easily with other finishes in a room. The half- rounded weave is traditional, while its broad, low arms are more modern. These functional arms provide perfect perches for drinks or snacks. Plush T-cushions round out this collection with comfort and softness.
