

Hampton End Table - White

HAM-ET26-WT

Make the most out of your outdoor space with this Hampton end table. It's made from powder-coated aluminum that's weather- and rust-resistant, so it always stands up to rain and harsh UV rays. The 25" wide surface features a breezy, slatted design, a smooth finish that brings the perfect amount of style to your outdoor space. It also has a sleek, sled-style base.
