

# RESORT POOL CHAISE

JRX1402S

The Resort Pool Lounger combines stylish, modern design with practical function. The aluminum frame features a heavy duty sling fabric which is double stitched for added strength. It is finished with heavy duty powder coating that can withstand outdoor elements and resist corrosion. The 4-position adjustable back allows for stylish comfort. These chaises stack for easy, off-season storage and is virtually maintenance-free. Double-ply sling and custom powdercoat options are available on volume orders.
